

PRATHAP KP

CLASSIC AUTOSAR

Bengaluru, KA 560011 | 9945255094 | Prathapkp66@gmail.com

PROFESSIONAL SUMMARY

A Curious Automotive Software Engineer expecting a challenging role in AUTOSAR/Automotive Embedded domain to experiment and enhance my existing skills.

SKILLS

- C - Good

- Embedded C - Average

- Jira - Very Good

- Canoe - Good

- Doors - Very Good

- Davinci configurator and developer

- Autosar - Good

- Cessar-Ct - Good

- EB-Tressos - Good

- Ideas - Good

- Trace32

- Git hub

WORK HISTORY

OCTOBER 2022-JANUARY 2026

Technical Specialist | Continental Automotive Components | Bengaluru, India

- Analyzed customer requirements and translated them into technical specifications.
- Developed software using **Embedded C** for Renesas V3M hardware with EB stack.
- Well-versed in **AUTOSAR layered architecture**, with a focus on the **diagnostic stack (DID & RID)** and **fault management**.
- Responsible for **AUTOSAR BSW's stack** integration in **EB** and **RTE** in the AUTOSAR Builder tool.
- Responsible for implementing customer requirements and ensuring alignment with system-level expectations.
- Performed **unit testing** for various modules using **Google Test** framework.
- Worked extensively within an **Agile methodology**, contributing to sprint planning, reviews, and retrospectives.

- Involved in **integration activities** and **release management** , including smoke testing and creation of release tags.
- Contributed to a new **R&D efficiency initiative** , driving process improvements and innovation.
- Maintained an **issue tracker** to monitor ambiguities and system-level requirements.
- Documented technical processes comprehensively to facilitate **knowledge sharing** among team members.

AUGUST 2021-OCTOBER 2022

Software Engineer | KPIT technologies | Bangalore

- Project : Redesign Door Control Unit (DCU) :
- Worked in CAN Communication protocol.
- Well Versed on AUTOSAR Methodology.
- Worked in implementation of UDS services.
- Analyzed and concluded failed Software Integration test cases for different sub functions such as - Door Lock, Diagnostics, and CAN.
- Responsible for Door Lock.
- Integration activities and SW release process.
- Worked on problem reports generated by system testers.
- Expert in using tools like Oscilloscope, Power supply and Multimeter.
- Working in BCM domain in automotive.

DECEMBER 2018-MAY 2021

Engineer | Thakralone Solutions Pvt Ltd | Bangalore

- Deputed to (Continental Bangalore, India)
- Project : Surround View System (JLR) :
- Developed positive working relationships with stakeholders to effectively coordinate work activities.
- Implementation of Diagnostics services (DCM & DEM) as per customer requirement.
- Configuration of RTE for the interaction of newly added signals.
- Actively contributing in BUG fixes of J1+90 software released to customer.
- Taken ownership in fixing of issues majorly in diagnostics.
- Exposed to writing unit test cases for achieving 100% code coverage.
- Virtualization done using VMware for the different recordings.
- Manual (Functional) Testing for Sign Recognition, Stereo Object Detection and Turn Indicator Detection.
- Taken interest in performing of manual testing of software.
- Coordinated sampling and analysis tasks to verify quality of finished products.
- Worked with software development and testing team members to design and develop robust solutions to meet client requirements for functionality, scalability and performance.
- Tools and Software:

- MTS Tool, Canoe, IMS, Doors, EB and CanVas

EDUCATION

SEPTEMBER 2014-JULY 2017

Bachelor of Engineering: Electrical, Electronics And Communications Engineering

Jawaharlal Nehru National Collage of Engineering, Shimoga, India

AUGUST 2011-MAY 2014

High School Diploma

SJM Polytechnic, Chitradurga, India

LANGUAGES

English - Very Good

Kannada - Excellent

Hindi - Good

DEVELOPMENTAL COMPETENCY

- Good knowledge on C and Embedded C languages.
- Experience on protocols like CAN and UDS.
- Knowledge on AUTOSAR architecture and BSW modules like DCM,DEM,RTE,OS and NVM.

AWARDS

2021-01 - Best Performer Recognition in Continental.

2022-05 - Honored with KPIT KROWN award,

2024-05 - Best Performer Recognition in Continental.

INTERPERSONAL SKILLS

- Ability to rapidly build relationship and set up trust.
- Confident and determined.
- Ability to cope up with different situations.
- Communication Skills
