

Vishal Jadhav Embedded Firmware Engineer Mailid:vishalj275@gmail.com MoNo:9665147796 Pune Maharashtra 411023	CAREER OBJECTIVE Experienced software engineer with a passion for developing innovative programs that expedite the efficiency and effectiveness of organizational success. Well-versed in technology and writing code to create systems that are reliable and user-friendly.
TECHNICAL SKILLS Microcontroller-8-bit, Microcontroller-16-bit, Microcontroller-32-bit STM, 8051, ARM Protocol -UART, SPI, I2C, CAN, RS485, WiFi Operating Systems: Linux (Ubuntu), Windows (10/11), FreeRTOS.	Onward Technologies Ltd Dec2024-May2026 Firmware Developer Client: Philips India Limited Dec2024-May2025 Project: Embedded Motor Control System for General X-Ray Ceiling Suspension (CSM) Domain: Medical Imaging Equipment – General X-Ray Role: Embedded Firmware Developer - Developed and integrated an embedded control system for the Ceiling Suspension Motorized (CSM) unit in General X-Ray machines - Enabled smooth and precise multi-axis movement of the X-ray tube for accurate patient positioning - Ensured reliable, real-time motor control with high precision and safety for medical imaging applications MCU: ARM Cortex-Mseries Protocols: CAN Tools: Keil MDK, CANalyzer, Pcan Explorer Languages: Embedded C. Client: JCB India Limited June2025 -May2026 Project: Compaction and Brazil Excavator Domain: Construction Equipment – Heavy Machinery Automation Role: Embedded Firmware Developer - Developed embedded firmware for compaction & excavator ECUs using Embedded C - Implemented CAN communication using J1939 protocol for ECU interaction - Performed debugging, validation, and system integration with cross-functional teams MCU: Infineon SAK-TC1724 Tools: Eclipse, BODAS Protocol: J1939
Software code Tools : MPLABX, Eclipse, DAVE, C, CS	
Hardware : Oscilloscope, JTAG, Multimeter, Logic Analyzer	
Tech Language C, C++ Embedded C.	
EDUCATION : B.E-AISSMSCOE Pune Electronics 2016 Percentage 69.06%	
DIPLOMA JSPM Pune E&TC 2011 Percentage: 81.94% 10 th R. M. P. V. Jadhavwadi 2008 Percentage: 70.46 %	Matter Motor Works Feb2023-June2024 Firmware Engineer Project: Body Control Unit (BCU) – Electric Two-Wheeler Domain: Automotive – Electric Vehicle (EV) Role: Embedded Firmware Engineer - Developed embedded firmware for Body Control Unit (BCU) of EV two-wheeler using Embedded C - Implemented CAN Network Management (CAN NM) for reliable ECU communication and failure handling - Integrated sensors and communication protocols with C2000 MCU and TI-RTOS - Performed HIL, SIL, and application-level testing for automotive validation - Implemented real-time operating system (TI-RTOS) to meet stringent timing requirements MCU: TI C2000 RTOS: TI-RTOS Protocol: CAN Testing: HIL, SIL
Personal Information: D.O.B: 17 May 1992 Marital Status: Married	
Address : MadhuKosh Apartment, near Dharmavat Palace, Pune 411068	

Dynalec Controls Pvt Ltd January2022 – January2023
Embedded Engineer

- Developed the control system for the Throttle Controller.
- Implemented the time critical communication mechanism between all the subsystems.
- Developed and implemented interfacing electronic parts of throttle system.
- Worked with designing a DC to DC converter (buck,boost) using microcontroller involves both hardware design and firmware implementation.
- Implemented the time triggered architecture with the fail safe mechanism.

Manas Microsystem Pvt Ltd May2019-Dec2020
Electronics Engineer

- Worked in Fault Finding Troubleshooting of devices.
- Worked on the calibration on the devices such product like flow indicating totalizer.
- Worked on Hardware failure analysis on the DSO, DMM.
- Experienced in working with Testing the product flow indicating totalizer, Electromagnetic flowmeter

ARD Technology Pvt Ltd Dec2017-May2019
Electronics Engineer

- Worked with Metering pumps used in water.
- Worked on the systems for various peripherals development.
- Measure Water Temperature, water level as well as filling glass automating glass Detection.

ACHIEVEMENTS

Linear Integrated subject competition 2015 in All India Shri Shivaji Memorial Society's College of Engineering Pune runner-up.

Robocon competition 2016 participation in College level competition Robocon 2016 competition.

Participating in technical quiz competition in Shivanjali in AISSMS COE Pune 2015.
